Tyler's Toast

Our evenings labour ended,
Our festive hour sped,
Before we leave this sacred hall
And take ourselves to bed,
Remember now our Brethren,
Who under a load of care
Have sunk distressed and despondent
In the quicksands of despair,
Extend a hand of friendship,
Your Masonic heart be stirred,
And show the world a Mason's deed
Can match a Mason's word.

Our New Worshipful Master
WBro Andrew James Childs, PGSwdBr.

I wish all our visitors a hearty welcome and hope you enjoy this day with us for the 82nd birthday of our lodge.

I became a freemason in Mt Pleasant Lodge No.361 on the 26th July 2001 and was installed into the chair of King Solomon on 24th of May 2007. I have been granted the honour and privilege of serving the brethren of this fine lodge for a second term.

As part of my proposed term plan (to be confirmed by the Lodge Management Committee in September) many of the activities that have taken place in recent years such as our Sunday Morning BBQ Breakfasts will continue. As WBro Lindsay has reported they have been a great success and greatly enjoyed by those who attend. I will also be continuing the Annual Charity Dinner which has turned into a very enjoyable experience each year and one of our major fund raising events. I also intend to host a Poker Event early in 2013 which I hope will raise substantial funds for our charity but will also allow us to introduce some young people to Freemasonry by hosting the event at Stones Corner Masonic Centre and conducting a guided tour of the lodge room during the break.

My charity for the year is Parkinson's Queensland. As many of you will know my mother passed away earlier this year and the primary cause of her poor health and ultimate passing was Parkinson's Disease. This condition is an insidious and incurable disease which strikes people of all age groups but mostly those in the later part of their lives. I hope that monies we raise may improve education and information about this disease and perhaps help those who are burdened with it. I also hope to have an educational evening in January (to be confirmed) where an educator from Parkinson's Queensland will join us at our festive to provide those present with an insight to the disease and how to identify early signs so treatment can start early, an option my mother never had. In closing I wish all the members of Mt Pleasant Lodge a happy lodge birthday and I look forward to working closely with you over the period of my term as Master. Remember brethren our goal is to enjoy our freemasonry and by doing so prove to others that what we do is very good.

Always walk and act in such a way
that the world without can see,
that only the best can meet the test
laid down in masonry.
Be ever faithful to your trust
and do the best you can,
then proudly tell the world
that you're a Mason and a man.

A RETROSPECT OF THE 2011/ 2012 TERM (by WBro Lindsay David, IPM)

August 2011 The new term started with a very successful and well-attended installation with added lustre provided by the Masonic Choir. Redlands Lodge capably assisted by providing a jovial team of stewards which allowed us to enjoy the festive. **September 2011** As usual the first meeting of the term was to open and close in the three degrees so that the new officers could find their feet. The festive revolved around an excellent presentation from David Gillespie, lawyer and Australia's foremost author, on his books "Sweet Poison" and "The Sweet Poison Quit Plan". WBro Victor Chandler presented the story of his life so far. Our first business planning meeting was held and our 3rd Annual Charity Dinner at the United Service Club proved to be very successful, raising money for our IPM's (WBro Geoff Mauger) charity, Youngcare. **October 2011** We initiated the first of our new members of the term, Bro Chris Eades. The officers all performed their duties in an excellent manner and Chris was an excellent candidate. At the festive WBro Trevor Green presented the story of his life so far. Our first 'Breakfast in the Park' of the term was held at Sherwood Forest Park, Corinda and saw 35 happy people enjoy each other's company at a very pleasant location. (Consistent with a Robin Hood theme, tights were worn by some.) **November 2011** WBro Stuart Mitchell presented the 1st Degree Tracing Board to our Bro Chris Eades and Bro Windsor from Prince Albert Lodge. A Christmas festive was enhanced by Bro's Gareth Pethig, Michael Mifsud & Rod Lancashire performing traditional Christmas gift-giving. WBro Stephen Toohey presented the story of his life so far. After purchasing new officers collars eleven members accompanied me to present our old collars to Woodford Lodge. It was thrilling for me to have almost all our lodge officers present as well as a few other members in support and Woodford Lodge were very impressed. **December 2011** Although the Lodge was in recess we did enjoy a jovial Christmas party breakfast at Heinz & Olga's "Ranch Walter". Another highlight of the month was the fantastic effort by WBro Trevor Green in November to be the top individual masonic fund raiser in Australia, raising funds under the 'Movember' banner for Men's Health. **January 2012** We had a short meeting so we could get to the festive and celebrate Australia Day. Bro Michael Mifsud entertained us with his life story so far. We also witnessed a fascinating and extremely informative presentation by Steve Durnin of his invention, the D-drive, constantly variable Gearbox which made it to the finals on the ABC TV program 'The New Inventors'.

February 2012 Our work was the raising of Bro Michael Tangue to the 3rd degree which again was performed in an excellent manner. At the festive we celebrated Waitangi Day in typical New Zealand style with real Kiwi food and refreshments. WBro John O'Halloran presented us with his life story so far - from Oamaru to Sydney to the Alice and BrisVegas. Our 'Breakfast in the Park' was at Nudgee beach, and was another very successful morning. Thanks to all the brethren who turned up in Hawaiian Shirts, very cool. **March 2012** This month we passed Bro Chris Eades to the 2nd degree and again it was an excellent ceremony. At the festive I presented my life story so far, which seemed to be well received. **April 2012** Again we held a quick meeting after which we retired to the festive for 2 DVD presentations, one about Freemasonry in America and the other a documentary about the "Crazy Horse Statue", the largest stone statue under construction in the world. WBro Ron Walker literally "sailed" through his life story so far (FYI - he is a sailor! ed). On the social scene we ran our 'CBD Discovery Challenge' from Mowbray Park at East Brisbane. We didn't lose anyone and as no-one got all the right answers we might have to run it again sometime. **May 2012** This month WBro Peter Donald acted as WM as I was away. It was another quick meeting after which members of our lodge who are also senior members of DeMolay Australia (male youth organisation) presented an emulation of the DeMolay Degree which received a standing ovation at the conclusion. At the festive WBro Andrew Bull presented his life story so far. Also that month our IPM, WBro Geoff Mauger, presented a cheque for $3,000 to Youngcare, as the charity for his previous term. This was an outstanding fund raising effort. **June 2012** This month saw the initiation our second new member, Bro Ben Su'a. Another excellent ceremony with over 50 brethren in attendance. At the festive WBro Heinz Walter entertained us with his life story so far, from humble beginnings in Germany to a jewel of the community. Bro Dean Hook from City of Logan Lodge was presented with his well-earned 'Jiggins', valued visitor jewel. Our 'Breakfast in the Park' this month was at Captain Burke Park, Kangaroo Point. Another very enjoyable morning in the city. **July 2012** We initiated our third new member of the term, Bro Alan Alpert. Again this was an excellent ceremony with 47 brethren in attendance and a great conclusion to the term. At the festive, WBro Trevor Kelly, from City of Logan Lodge and WBro Ross Barry from Camp Hill Lodge were presented with their well-earned 'Jiggins', valued visitor jewels. **August 2012** The last month of the term has so far seen the 4th annual charity dinner at the United Service Club. The gourmet menu and service proved a winner once again. The large crowd were entertained by Mr Michael Hutchinson, Brisbane leader for L'Arche Australia, who presented an after-dinner speech. The evening proved very successful in raising funds for L'Arche, an international federation of faith communities where people with and without an intellectual disability share life together.

In summary, we have had a very successful term with three new initiates joining us, lots of other work inside the lodge room, raised money for charity and enjoyed ourselves with our families and friends at many social events. Over to you WBro Andrew, Lindsay.
